

to Children," besides Professor J. F. McCurdy, of Toronto, author of "History, Prophecy, and the Monuments," answers the question, "How far is the Flood-story Babylonian?"

The Sermonic Section contains its representative sermons by representative men. "Leading Thoughts of Recent Sermons;" "Sermons and Thoughts for the Close of the Year;" "Topics for the Week of Prayer;" and "Suggestive Themes and Texts."

The Seed Thought, Exegetical and Expository, and Miscellaneous Sections are full and unusually interesting this month. No wide awake minister can afford to be without this monthly magazine of good things.

Any one who is looking for shorter articles will find what he wants in the Editorial Section in the notes on "The Barbarism of Football," "Startling Facts for New Year," "The Mills Hotel No. 1," "The Ordination of Mrs. Ballington Booth," etc. "Our Blue Monday Club" may help to drive away the blues for some depressed brother. The incident concerning Sam Jones and Dr. Talmage is especially piquant.

It is a marvel how much of varied and valuable material is to be found packed in the hundred pages of this single number.

There is more catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,
